

MONTANALOTTERY

Retail Equipment Upgrade

The next generation of Lottery equipment is coming soon to Montana Lottery sales agents!

Beginning Q3 2026, the Montana Lottery and its vendor, Bally's Intralot, will start installing new Lottery equipment to sales agents across the state.

New PhotonX Terminal & Peripherals

- ★ Faster performance
- ★ Improved reliability
- ★ Better customer engagement
- ★ A modern retail experience

*Coming
Q3 2026*

High-Speed Thermal Printer ★ Genion Ticket Checker ★ PhotonX Video Display Unit

As always, we will provide you with the training and ongoing support you need:

In-Person Training

Provided at the time of installation.

Help Videos

Available on-demand via the terminal.

Quick Reference Cards

Provided at the time of installation.

Sales Agent Hotline

Available 24/7 at 800-425-1435

More Information Coming Soon

The Montana Lottery and Bally's Intralot will contact you with more details, including when you are scheduled for installation and what to expect.

Got questions? Contact the Sales Agent Hotline at 800-425-1435.
